CHALLENGE CAMP

*Intensive Linguistic
Immersion*

From 1 to 5 & 8 to 12 July · De 9:30 a 17:00

French · Spanish · German
Information for parents

Contents

- 3 Camp description
- 4 What to bring / What not to bring
- 5 Timetable
- 6 Medical Assistance
- 7 General rules
- 8 Behaviour Policy
- 9 How to get to school
- 11 Contacting the school

The Challenge continues!

(pupils from 2008-2019)

Challenge Camp is **synonymous with immersion**. We have selected **the most inspiring activities 100% in French, German & Spanish** to motivate Challengers to broaden their knowledge of the language through communication.

In addition to **daily and weekly challenges**, members of our French and German teaching team will accompany the Challengers during their break times so that interactions can be casual and spontaneous.

And an overnight stay at school on Thursday!

At this camp, exposure to the language is so intensive and spontaneous that... **careful, pupils might start thinking in French, German or Spanish!**

What to bring

- Water bottle
- Swimsuit, flip flops, towel and cap
- Sun cream (minimum SPF 30)
- Morning snack
- Cap for sun protection
- Mosquito repellent is recommended
- One set of clothing
- 2 disposable face masks
- Thursday: pyjama, personal hygiene items and a sheet

We also recommend that you clearly mark clothes and personal items with your child's full name.

What not to bring

- Electronic devices
- Valuable items

Timetable

<i>Time</i>	<i>Activity</i>
9:30-9:50	Arrival
10:00-11:00	Daily Challenge

1:30-3:00	Lunch
3:00-4:30	Main activity of the day
4:45- 5:00	Snack and Departure

Medical Assistance

Caxton College has a school clinic that attends to immediate medical needs our students may have.

If a pupil is feeling unwell or shows any symptoms of illness, the school nurse will be informed by phone or email and will assess the situation and take action accordingly.

If a student needs medical care during playground or lunch time, the school nurse will go to the meeting point or will instruct the dining room or playground staff to accompany the student to the school clinic.

If it is necessary to inform parents to pick up their child, the school nurse will instruct the student to wait, depending on their condition, in the classroom, at the main office or in the clinic.

Parents must be available to collect their child within one hour of notification of illness by the school nurse. Any pupil with a fever or showing symptoms of COVID-19 will wait in the designated area, wearing a mask at all times, until collected.

Pupils with a fever of 37°C or higher will be sent home for observation by their parents.

Medication may be brought from home into the school for its administration.

General rules

Pupils must wear sports clothing in order to participate in the organised activities.

The school reserves the right to search pupils' belongings if this is considered necessary.

Energy drinks are not allowed in school.

The use of electronic devices is not allowed.

The school will not accept any responsibility for electronic devices or valuables that are lost or broken.

Behaviour Policy

The school has created a behaviour policy specifically for the Challenge Camp. This policy must be followed by all parties involved in the camp in order to foster integration and respect.

Any behaviour that violates the rules for good relations in school will be considered a minor or serious disciplinary infraction as follows:

Minor infractions:

- Disobeying a teacher
- Not following rules during activities
- Wearing inappropriate clothing

Serious infractions:

- Aggression
- Bullying
- Leaving school grounds
- An accumulation of minor infractions

Consequences:

- The Challenge Camp Coordinators will have a meeting with the School Directors to decide on the measures to be taken depending on the severity of the incident.
- Parents/agency will receive a call from the school. The school reserves the right to expel an pupil from the summer camp immediately.

Any pupil who jeopardises the integrity or safety of others will be expelled immediately.

We expect parents/tutors to support us in implementing this code of behaviour as we believe that discipline is a shared responsibility.

How to get to school

Only pupils will be allowed to enter indoor school facilities. Parents and family members will only be allowed to access the outdoor school facilities wearing a face mask, following the requirement for social distancing and ensuring proper hand hygiene. School staff will help you to find the drop-off and pick-up areas.

By **Bus:**

Bus routes will arrive at school between 9:40 and 9:55am.

The school bus transport service has been adapted to follow the health and safety requirements established by local authorities. Students and school bus staff are required to wear a face mask at all times on the bus.

Parents should arrive at the assigned bus stop five minutes before the scheduled time, both in the morning and in the evening. If you arrive late to pick up your child, the school bus will continue on its usual route with the child on board. No child can be left at the drop-off point without authorisation from a parent. You will need to phone the school in order to be told where you can collect your child.

Bus changes are not allowed.

After they arrive, school staff will accompany pupils to their classrooms.

Parents will not be able to use the underground car park. If you wish to use the bus parking area, you must arrive from 9:30 am and before 9:40am, after which time this area will be reserved for the buses. We advise you to use the parking area adjacent to the MasyMas supermarket and accompany your children to the entrance to the pine tree area, the football pitch or the main road (carretera de Barcelona) depending on the child's group. School staff will provide them with hand sanitiser and show them the way to their classroom.

You should collect your children at the same place where you drop them off in the morning. You may use the bus parking area after the buses have left, from 4:40pm. In order to collect children, you will be required to show the card that you will be sent by email. You may print it out or show it on your mobile phone. If you need another person to collect your child, you must provide them with this card by email, WhatsApp or a paper copy.

Contacting the school

Main Office:

caxton@caxtoncollege.net

961 424 500

Caxton Sports Centre (CSC):

caxton-extrascolares@caxtoncollege.net

961 424 176

You may send an email or phone the school to book an appointment to meet with the teacher.

It is very important that you contact the school's Main Office if your child needs to leave school earlier than usual, will arrive late or will be absent.
