At Caxton College

For children born between
2016 & 2020

Share your Easter holidays with us at Caxton College! It's a perfect opportunity to spend time playing games and having fun with friends.

Sport

In sport activities, the children will be introduced to a number of different individual and team sports.

Art

Through Art, young children are able to gain self-confidence during the artistic creation process as they see what they are capable of. They learn values such as effort and dedication. Children are able to develop these and many other skills in our Easter Camp through fun activities around the topic of Easter.

Aquatic Games

Games played in the water will improve children's overall coordination, cardiovascular activity, feelings of confidence and affection, intellect and social relationships.

Music *(except Nursery)*

Each child's musicality will be stimulated through play, movement and creativity. Activities will be organised around physical and sensorial experiences: singing, developing rhythm and using movement as an integral way to understand music.

Children will learn about different instruments: what does a drum set sound like? What sounds does a keyboard or guitar make? What does the voice sound like through a microphone?

What do I need to bring?

- *Athletic clothing and trainers.*
- *Morning snack and water bottle.*
- *For the aquatic games: towel, swimsuit, cap, goggles and swim socks.*
- *For Art: overall or t-shirt that can get messy.*

At Calvestra Centro de Ocio

For children born between
2012 & 2015

Come have fun with us this Easter!

This Centre for Leisure and Rural Tourism in Requena is surrounded by nature, sport and multi adventure facilities. Sleeping accommodation will be in cabins and the following activities will be offered: zip line, archery, climbing wall, fun activities and nightly dances.

Activities

Participate in sport activities with our coaches, draw with our art instructors and have fun with your friends in Calvestra. You can choose one of two different programmes:

Art

We will link the Art activity with nature in order to take full advantage of the beautiful natural surroundings in Calvestra. Children will have the opportunity to paint and draw landscapes, use natural elements in their artistic creations and even become true naturalists by creating their own field notebook. Creating whilst respecting and caring for the environment will be our principal aim.

Sport

We will aim for maximum enjoyment whilst stimulating coordination and sporting values in individual sports such as athletics.

- We will also learn to work as a team and collaborate with teammates in sports such as basketball, football etc.
- Other fun and dynamic activities will encourage making new friends having a great time!
- One of our Caxton College Basketball Club coaches will oversee development of the children's athletic talent.

Departure & Return

Departure and arrival will be behind the **Mestalla Stadium** in Valencia.

Departure on 2 April at 8:30am.

Return on 5 April at approximately 5:00pm.
