A super fun summer in English!

At Caxton College, our summer courses are designed **to make the most of the summer months** in the most enjoyable way possible, combining English lessons with fun workshops and sports.

Students work with **specialist teachers in small groups** to learn in a dynamic way, tailored to their needs.

Classes are planned so that students have to use English all the time, while practising the four basic skills. Levels are structured according to the European Common Framework for Language Learning.

Each Primary level works a different specific thematic axis every week during the month. This method has the objective in giving the children the opportunity to acquire further vocabulary and fluency by learning facts in a theoretical and practical way:

Primary 1: Master Chef Venture into the art of cooking by learning about food, recipes and healthy eating, while preparing their own snacks and discovering flavors and textures.

Primary 2: Superheroes What does it take to be a superhero? We will work on the features that make all of us true superheroes, what's right and wrong, while designing our super capes and having fun in English as our imagination roars!

Primary 3: Science & Space Do you know the solar system and the wonders behind the stars? Design your own rocket and...Learn what it takes to be a good astronaut!

Primary 4: Eco Planet Do you have an idea of the magnificent forces that move our planet? We travel to the centre of the Earth to discover its secrets, and learn what we can do to take care of it.

Primary 5: Globetrotters Let's embark on a journey to discover the diversity and singularity of each continent in the planet... traditions, culture, fun facts... because we are all, in our own way, unique!

Primary 6: Lights, camera, action! We will enter in the world of cinema to create our own script, special effects and close the unit with an authentic Oscar ceremony!

Each level has its own specific objectives, and students' progress is measured not only through continual assessment, but also by taking into account their effort and class participation.

If your child has any special education needs, please inform Coordination to make sure our summer programme can accommodate their needs.

At the end of the course, parents receive a detailed report on their child's progress and may have an interview with the teacher in person or online, through the platform **Google Meet**.

A Healthy Summer... To complement pupils' learning of English, each day will include an initiative to reinforce the importance of a healthy lifestyle or looking after our planet. These small initiatives are as follows:

- **Mindful Monday** – brief relaxation sessions
- **Tasty fruit Tuesday** – bring fruit for your morning snack!
- **Waste-free Wednesday** – bring your snack in a reusable container!
- **Thirsty Thursday** – remember how important it is to drink a lot of water!
- **Sugar-free Friday** - today my snack is sugar-free!

As part of the content that the children will work on in the summer, they will visit the school garden and learn about vegetables, watering, compost and everything necessary to help us take care of our garden during July!

Workshops & optional extras

Every week, each class group takes part in a different workshop.

Our workshops cover various sports and physical activities, as well as artistic, music and dance disciplines, students will have fun and develop new skills.

Students can also have extra instruction in **swimming & tennis.**

Swimming:

Group lessons - minimum age: born in 2020. Five lessons per week.

Lessons take place in the indoor pool, during swimming time.

Tennis:

Minimum age: born in 2018, 10 lessons per fortnight.
Lessons take place during workshop time.

Drop-off and pick-up procedure

If travelling by **car**:

Drop-off. Students may arrive between 9:20 and 9:40am. Parents are asked to park and accompany their children to the corresponding drop-off points.

Pick-up. Students should be collected between 4:40pm and 5:00pm. Parents should come to the appointed pick-up area and wait outside the school facilities. Students will be released from class in a staggered fashion.

Only one adult will be allowed access to the outdoor drop-off or collection area for their children.

We will inform you by email about the corresponding drop-off and pick-up area. If you have any queries, please contact school staff at any time.

To pick up your child you will be required to show the card with the pupil's name that will be sent to you by email. Cards can be printed or shown on your mobile phone. If a different person will be collecting your child, please provide them with the card by email, WhatsApp or a printed copy.

If using **school bus transport:**

Staff on duty will accompany students to their classrooms. Please arrive at the assigned bus stop five minutes before the scheduled time, both in the morning and in the evening.

If you arrive late to pick up your child, the school bus will continue on its usual route with the child on board. No child can be left at the drop-off point without prior authorisation from a parent. Should this happen, you will have to phone the school, where you will be told where you can collect your child.

Bus changes are not allowed.

What to bring

For **classes**

- Water bottle labelled with your child's name.
- A full pencil-case with pencils, coloured pencils, glue and scissors.
- Children over 6 years old: a small notebook.

For the **playground**

Sunscreen, a cap and a snack for break time.

An afternoon snack will be served to pupils in Primary 1 & 2.

For the **swimming pool**

Swimsuit, sunscreen, flip-flops, towel and swimming cap.
Recommended: swimming goggles.

Contacting the School

Main Office: **961 424 500**
cursosdeveranocaxton@caxtoncollege.net

It is recommended to contact us by phone or email.

If a meeting is essential, you should request an appointment via email or phone.

Parents and teachers will keep in daily contact through the app ClassDojo. Your child's teacher will give you access to this app once the summer camp starts. Parents will be able to send notes to their children's teacher using this app.

If your child needs to leave school outside of the usual time, please contact the school's Main Office to find out what other times are possible.

We kindly ask parents to inform the school of all foreseeable absences or lateness to class.

Medical Assistance

Caxton College has a school clinic that attends to immediate medical needs our students may have.

In the case that a student feels unwell or shows any symptoms of illness, the school nurse will be informed and she will assess the situation.

If it is necessary to inform parents to pick up their child, the school nurse will instruct the student to wait at the Main Office or in the clinic.

If pupils need to take any medicine during the school day, the medicine should be labelled with the pupil's full name, the time it should be administered and the dosage. The medicine should be handed directly to the bus monitor or to the person at the entrance gate for pupils who arrive by car. Medicine should NOT be placed in the pupil's backpack.

- Hand hygiene will be encouraged upon entering the school, before and after each play time, before and after eating and prior to leaving the school.
- There will be constant air flow and room ventilation during the day, keeping windows and doors open whenever possible.
- We kindly ask parents to check your child's temperature at home daily and do not send them to school if they have a temperature of 37 or higher or show any symptoms of illness.
- Parents must be prepared to pick up their sick child from school within 30/60 minutes of a call from the school nurse.

Rules for students

Students must wear comfortable sports clothing to participate in the programmed activities. No bracelets or rings will be allowed.

The school reserves the right to search students' belongings if considered necessary.

Students are not allowed to bring energy drinks to school, nor to eat or drink in class.

The use of electronic devices is not allowed at any time during school hours (bus included). They may only be used if the teacher has first given permission, for a specific class activity.

The school will not accept any responsibility for electronic devices or valuables that are lost or broken.

Behaviour Policy

The school has established a behaviour policy specifically for the summer camps with the aim of creating a single discipline code that allows for behaviour to be monitored not only in lessons, but also during workshops, pool time, on the bus and playground, and in the dining room.

In this way, with the collaboration of teaching and non-teaching staff, we can limit the number of incidences of poor behaviour, and make the most of our summer.

Minor incidents:

- Unjustified lateness to a lesson or workshop
- Unpleasant behaviour toward classmates
- Disobeying a teacher, instructor or monitor
- Not following class or training rules
- Using rude language
- Pushing, shouting or running in the corridors
- Wearing inappropriate clothing

Serious incidents:

- Leaving a lesson
- Aggression toward classmates
- Repeated use of profane language
- Missing a lesson or workshop by staying on the playground
- Insulting or showing lack of respect for a teacher, instructor or monitor
- Not going to the dining room
- Bringing dangerous or inappropriate objects to school
- Vandalism
- Using a mobile phone during a lesson without the teacher's permission
- Stealing or damaging others' belongings

Very serious incidents:

- Aggression
- Bullying
- Leaving school grounds
- Three serious incidents

Most cases of unacceptable behaviour are spontaneous, unintended acts that the pupil immediately regrets. In these cases, the teachers will correct this sort of behaviour at once.

In the case of continuous unacceptable behaviour, parents will be contacted by the school to consider the problem jointly. If a pupil is involved in three serious incidents, the school reserves the right to expel them from the summer course.

Any student who jeopardises the integrity or safety of others will be expelled without hesitation.

We expect parents to support us in implementing this code of conduct as we believe that, discipline is a responsibility shared between parents and teachers.
