Do your best and enjoy your sport

Our sport camp is designed to **perfect and improve athletes' skills in the chosen sport.**

Children work with **specialist instructors** and learn in a dynamic and individualised fashion.

The specific objectives of the Sport Camp are adapted to the ages and individual traits of each athlete.

Group work and socialisation will be key elements to end a day of sport.

Medical Assistance

Caxton College has a school clinic that attends to immediate medical needs our students may have.

If an athlete is feeling unwell or shows any symptoms of illness, the school nurse will be informed by phone or email and will assess the situation and take action accordingly.

If a student needs medical care during the playground or lunch time, the school nurse will go to the meeting point or will instruct the dining room or playground staff to accompany the student to the school clinic.

If it is necessary to inform parents to pick up their child, the school nurse will instruct the student to wait, depending on their condition, in the classroom, at the main office or in the clinic.

Parents must be available to collect their child within one hour of notification of illness by the school nurse. Any athlete with a fever or showing symptoms of COVID-19 will wait in the designated area, wearing a mask at all times, until collected.

Athletes with a fever of 37°C or higher will be sent home for observation by their parents.

Medication may be brought from home into the school for its administration.

General rules

Athletes must wear sports clothing in order to participate in the organised activities.

The school reserves the right to search athletes' belongings if this is considered necessary.

Energy drinks are not allowed in school.

The use of electronic devices is not allowed.

The school will not accept any responsibility for electronic devices or valuables that are lost or broken.

Behaviour Policy

The school has created a behaviour policy specifically for the Sport Camp. This policy must be followed by all parties involved in the camp in order to foster integration and respect.

Any behaviour that violates the rules for good relations in school will be considered a minor or serious disciplinary infraction as follows:

Minor infractions:

- Disobeying a coach
- Not following rules during training sessions
- Wearing inappropriate clothing

Serious infractions:

- Aggression
- Bullying
- Leaving school grounds
- An accumulation of minor infractions

Consequences:

- The Sport Camp Coordinators will have a meeting with the School Directors to decide on the measures to be taken depending on the severity of the incident.
- Parents/agency will receive a call from the school. The school reserves the right to expel an athlete from the summer camp immediately.

Any athlete who jeopardises the integrity or safety of others will be expelled immediately.

We expect parents/tutors to support us in implementing this code of behaviour as we believe that discipline is a shared responsibility.

How to get to school

By **Bus:**

Bus routes will arrive at school between 9:40 and 9:55am.

Parents should arrive at the assigned bus stop five minutes before the scheduled time, both in the morning and in the evening. If you arrive late to pick up your child, the school bus will continue on its usual route with the child on board. No child can be left at the drop-off point without authorisation from a parent. You will need to phone the school in order to be told where you can collect your child.

Bus changes are not allowed. After they arrive, school staff will accompany athletes to their sport facilities.

By **Car:**

Parents will be able to use the underground car park. If you wish to use the bus parking area, you must arrive from 9:30 am and before 9:40am, after which time this area will be reserved for the buses. We advise you to use the parking area adjacent to the MasyMas supermarket.

You should collect your children at the same place where you drop them off in the morning, showing the card that you will be sent by email. You may print it out or show it on your mobile phone. If you need another person to collect your child, you must provide them with this card by email, WhatsApp or a paper copy. You may use the bus parking area after the buses have left, from 4:40pm.
